

FREEDOM FEBRUARY *PRAYER GUIDE*

Every year, newlifers take an entire month to raise money and awareness to fight against human trafficking. The heart is simple: Every human being was created by God and deserves to be free. This is not just a physical battle, but a spiritual one that is fought with prayer.

*Jesus,
You're the one who gives freedom to
The oppressed
The battered
The exploited
And the forgotten.
May our lives
Embody your Good News
That brings release and recovery
To those held captive and dehumanized,
As we offer our
Time,
Minds,
Creative energy
And resources
To reveal your generous and abiding
Love and presence.
Amen.*
